

is holding auditions for our Bop and BA students (12 years +) for the chance to be in our very first

## POP BAND!

**We will audition, select and train six lucky girls** to come and rehearse once a week for a year at our studio in Droxford. They will work on their dances with Chloe, have a costume designer and make-up artist to perfect their image, and record their own brand new pop songs at the Boppin Film Studio, alongside filming their music video!

At the end of next year we will be launching the pop band at the Boppin shows, and then we hope to take the band on tour around schools to get a fan base going, then finally we want to show the band (when they are complete and looking fantastic!) to Mark Pickard who is the band manager for The Saturdays!

All students who can audition for the pop band are the Bop and BA classes at Headley, Woking and Petersfield TPS. Petersfield auditions will be on the **6th December** after class in the studio with Chloe. Headley Mill Chase and Woking auditions will be the **10th December** at 8.45am before your dance class with Chloe or Bronia. Headley BA auditions will be on the **8th December** after class with Chloe.

Those of you selected will be needed for the final audition. This will be held at the Boppin Studio in Droxford on Sunday **11th December** at 3pm.

The cost of this fantastic experience, if selected, is £20 per week - this is just to cover staff, studio, editing and private singing lessons. Once a week the band will meet for 1.5 hour rehearsal slot during term time on a day that suits all to perfect their training!

Whilst this is a great price for this year-long package we understand it may not be affordable for all and we politely ask that students only audition if they can fully commit to this year long project. Contracts will need to be signed once the band is selected.
